- Robust housing and shock resistant

Specifications

Marketing specifications

Expected benefits: See better, Work better

Product highlight: Rechargeable work lamp

Product description

Hook: 360 degrees retractable hook

Impact protection rating (IK): IK07

Ingress protection rating (IP): IP20

Magnet

Materials and finishing: ABS with rubber coating

Number of LEDs: 6

Operating Temperature: 0°C to 40°C

Orientable light: 180° pivoting base

Range: RCH, EcoPro

Resistant to: grease, oil, workshop solvents

Technology: LED

UV leak detector: No

Light characteristics

Colour temperature: 6500 K

Light intensity (boost): 630 lux at 0.5 m

Light intensity (eco): 3100 lux at 0.5 m

LED lifetime: Up to 30,000 hours

Beam angle: 90°

Light output: 300 lumens

Light output (eco): 100 lumens

Beam angle (pointer): 15°

Electrical characteristics

Voltage: 3.7 V

Battery capacity: 2200 mAh

Battery run time (boost): Up to 3 hours

Battery run time (eco): Up to 8 hours (pointer)

Battery type: Li-ion battery

Plug type: Micro USB

Charging cable type: Rechargeable

Battery charging time: around 4 hours

Power Source: Li-ion 18650

Wattage: 3 W + 1 W torch

Ordering information

Order entry: RC420B1

Ordering code: 05057145

Packaging Data

EAN1: 8719018050571

EAN3: 8719018050700

Packed product information

Length: 36 cm

Width: 18.8 cm

Height: 5.2 cm

Pack Quantity / MOQ: 1

Weight with batteries: 615 g

Size: Standard

Cable length: 100 cm

Outer pack information

Length: 33 cm

Width: 20.5 cm

Height: 38 cm

Gross weight per piece: 4.516 g

Highlights

Powerful light while you work

Whether you're in your garage, completing some DIY or trying to fix an appliance, it's always handy to have a small lamp around. Philips EcoPro40 delivers a main powerful light beam of 300 lumen (3 W) to help you to see the details you need to get the task completed.

Handy spotlight

Philips EcoPro40 also comes fitted with a handy spotlight to illuminate those hard-to-see areas. This strong spotlight on the top of the lamp delivers 100 lumen (1 W), so you can see small details even in those dark corners.

Hands-free lamp with 3 magnets

More often than not, you need both hands when you're working on a task. Philips EcoPro40 comes with 3 in-built magnets so you can easily mount the lamp on any nearby metal surface, such as under a sink or the bonnet of a car.

Two hooks for hands-free use

When you need both hands free to work, simply hook the EcoPro40 nearby with its two in-built 360° retractable hooks.

Up to 8 hours of battery life

Once fully charged, your Philips EcoPro40 delivers bright white light from its main beam for up to 3 hours. If you use the spotlight, the battery will last up to 8 hours of continuous use. So with occasional use, the lamp can last days before requiring a recharge.

Shock resistant

Even the most careful person occasionally drops things. That's why the Philips EcoPro40 is designed with a robust housing, meaning it will survive the occasional drop to the floor.
