ADR81SX1

## Your personal road safety guardian with fatigue alert & emergency EasyCapture

Enjoy peace of mind while driving, Philips car driving video recorder will protect you in case the unexpected happens. Rely on Emergency EasyCapture, high-end aspherical glass lens and super wide FOV for crystal clear evidence even at night.

#### **Hassle free & reliable**

- Automatic recording when you start your vehicle
- Collision detection and automatic emergency recording
- Emergency EasyCapture, to always catch the unexpected
- Fatigue index and driver alert

#### **Crystal clear images in all driving conditions**

- Vivid details with 1080p Full HD definition

#### **Crystal clear images day and night**

- 166° degree wide angle lens
- Super sharp image quality with aspherical glass lens
- Enhanced night view

#### **Designed and tested for automotive conditions**

- CCC/CE/FCC certified for safe installation and use
- Designed to work under tough driving conditions

# Highlights

## Automatic recording

As soon as you power on your vehicle, the driving recorder starts operating automatically.

## Collision detection

In case of a collision, an emergency recording is automatically saved to secure the evidence and prevent overwriting.

## Fatigue index

The fatigue index shows the evolution of a driver's fatigue, and will indicate a visual and acoustic warning message when the driver should be taking a rest.

## Emergency Easy Capture

Philips EasyCapture ensures fast and easy emergency recording buttons at hand. Capture and save everything that happens on the road when you need it: one button clearly identified on the device, and one on the cigarette lighter adaptor.

## Full HD

Capture vivid details with 1080p Full HD definition

## Night view

Capture sharper details, day and night. With enhanced night view.

## View angle

Capture more of the scene with a proven 166° degree super wide angle.

## Aspherical glass lens

Philips brought aspherical glass lens into driving video recorders, enabling super sharp image quality.

## Heat and vibration resistance

Philips automotive driving recorder is equipped with high quality components, to ensure resistance against vibrations and extreme temperature conditions.

## CCC/CE/FCC certified

Philips Automotive Driving Recorder is compliant with international certifications and tested against electromagnetic interference like GPS or cell phone.

# Specifications

## Product description

**Designation:** ADR810s  
**Technology:** Car Driving Recorder  
**Operating Temperature:** -10 ~ 65 °C  
**Storage Temperature:** -20 ~ 70 °C  
**File Format:** .MOV, H.264 video compression  
**Fixed Lens:** 166° super wide angle  
**Internal Memory:** 32Mb SPI Flash  
**Random Access Memory:** 64Mx16bit (1Gbits)  
DDR3 SDRAM  
**Recording Time:** 320min @32GB for full HD  
**Display:** 2.7" LCD  
**G-sensor**  
**Auto exposure**  
**Auto white balance**  
**Improved night visibility:** Yes ISO6400 perfect night view  
**LCD Auto Off**

## Seamless loop recording

**Aperture Range:** F/#2.0  
**Collision detection**  
**Date and time stamp**  
**Image Sensor:** 2.1 Mega-pixels CMOS  
**Video resolution:** Full HD 1080p  
**Emergency file protection**  
**Recording media (ext. Memory):** Micro SD card (up to 64GB)  
**Interface:** HDMI, Speaker, Micro USB 2.0  
**Languages:** Chinese, English  
**Driver fatigue alert**  
**Automatic recording**

## Accessories included

**Power cable length:** 4 m  
**Power:** 12-24V car adapter

## Weight and dimensions

**Product dimensions (L x W x H):** 106.7 x 50.0 x 32.5 mm  
**Product weight:** 83 g  
**Box weight (incl. product):** 490 g

## Marketing specifications

**Expected benefits:** Your road safety guardian  
**Product highlight:** ISO6400 night visibility

## Logistic data

**EAN (China):** 6947939174089
