

PHILIPS

Xenon car headlight bulb

Vision

Type of lamp: D4R

12 V

35 W, Pack of: 1

PK32d-5

42406VIC1

Feel safe, drive safe

Ideal for replacement

Philips Xenon Vision replaces a single burned-out lamp while matching the color of the unchanged one thanks to its new single-lamp replacement technology. Therefore it is the ideal replacement lamp and it's economical too!

The reference in case of xenon lamp replacement

- Xenon Vision perfectly matches the unchanged Xenon lamp
- Replace one by one
- Philips is the inventor of Xenon HID technology

Original Equipment manufacturer

- Philips is the choice of all major car manufacturers.
- Award winning car lamp manufacturer
- Respecting high quality standards of the ECE homologation

Highlights

Car manufacturers' choice

For 100 years, Philips has been on the forefront of the automotive lighting industry, introducing technological innovations that have become standard on modern automobiles – Philips is the inventor of Xenon HID technology. Today, one in two cars in Europe and one in three worldwide is equipped with Philips lighting.

ECE homologation

Philips automotive products and services are considered best-in-class in the Original Equipment Manufacturer market and the aftermarket. Manufactured from high quality products and tested to the highest specifications, our products are designed to maximize the safety and comfort of our customers' driving experience. Our entire product range is thoroughly tested, controlled and certified (ISO 9001, ISO 14001 and QSO 9000) to the highest ECE requirements. Put simply, this is quality you can trust.

Economical choice

Thanks to its single lamp replacement technology Xenon Vision allows you to change your bulbs one by one while matching the color temperature of the unchanged lamp. It is the most economical choice for lamp replacement.

Original Xenon technology

Xenon HID (High Intensity Discharge) lamps offer twice as much light for safer driving in all conditions. As a matter of fact, the intense white light produced by the Xenon HID lamps is comparable to daylight. Studies have demonstrated that xenon automotive lighting helps drivers to concentrate on the road and to distinguish obstacles and road signs much faster than traditional lamps.

Rewarded Car lamps

Our lamps are often rewarded by automotive experts

Single-lamp replacement

Philips Xenon Vision replaces a single burned-out lamp while matching the color of the unchanged one. Its new single-lamp replacement technology allows for one-by-one replacement while still matching the color temperature of the unchanged lamp. Thus, Xenon Vision is the perfect solution for single-lamp replacement.

Specifications

Packaging Data

Packaging type: C1
 EAN1: 8727900364873
 EAN3: 8727900364880

Product description

Technology: Xenon
 Application: High beam, Low beam
 Range: Vision
 Type: D4R
 Homologation ECE
 Designation: XE-42406VI-CI
 Base: P32d-6
 Marking ECE: E4 0A6

Electrical characteristics

Wattage: 35 W
 Voltage: 42 V

Marketing specifications

Expected benefits: More light
 Product highlight: Ideal for replacement

Light characteristics

Lumens: 2800 ±450 lm

Ordering information

Order entry: 42406VIC1
 Ordering code: 36487333
