Destacados

100% waterproof

Shave or trim your beard where you want to, wet or dry. When you're done, just rinse it off under the tap.

Can be installed without tools

The Saferide LED Rearlight Lumiring can also be attached to a seat post holder. This accessory is easy to install and gives a tight grip within minutes.

21 and 32 mm handlebars

Suitable for virtually all 21 and 32 mm handlebars, the bike light handlebar solution is adaptable and compatible with a wide range of bikes.
