

Enjoy lasting brightness

Brighter, elegant signals

For a stylish drive, upgrade to Philips Ultinon Pro6000 LED 38 mm festoons for interior lighting. The strong 4000 K bright white light illuminates the inside of your car while being kind to your eyes.

High-end, stylish signalling

• Upgrade your lights, upgrade your style

Simple plug-and-play replacement

• Easy to install and compatible with most car models

Superior visibility

- Illuminate your car interior with bright LED bulbs
- · Optimised for enhanced visibility

Performance made to last

• Enhanced lifetime of up to 5,000 hours

Highlights

Powerful brightness

Select our bright white Philips Ultinon Pro6000 LED lights for superior visibility and style inside your car. Bright and stylish, these lights will transform your driving experience. Whether you're searching for a dropped phone, your passengers want to read or you're trying to work out the best route to your destination, you can now enjoy bright interior light.

Uniform light distribution

Philips Ultinon Pro6000 LED interior lights provide a powerful daylight effect of up to 4000 K, illuminating your car's passenger compartment with bright, uniform, stylish light.

Elegant LED light

If you're looking to improve both the lighting and style of your vehicle's interior, opt for Philips Ultinon Pro6000 LED bulbs. Crisp white light will help you sort through your glove box, find the phone or wallet that slipped under the seat or

search for something in the boot. Besides helping you see better, it also looks pretty elegant.

Lifetime of up to 5,000 hours

You want bright, stylish car lights but you don't want to keep replacing failed lamps. That's a major weakness of conventional bulbs - the more powerful the light, the shorter its lifespan. Even at a higher light intensity, LEDs last much longer. Philips Ultinon Pro6000 LED lights are built to last. Due to features such as high-end LED technology and advanced heatmanagement systems, they last for up to 5,000 hours of operation.

Ready, steady, installed!

Enjoy the plug-and-play experience: with Philips Ultinon Pro6000, bulb replacement is quick and easy.
