Highlights

Daily personalised inspiration

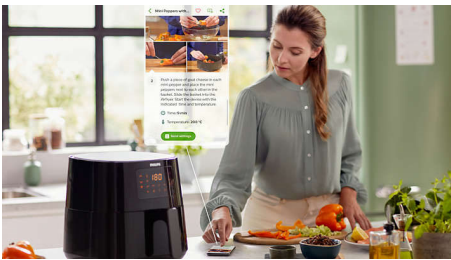

Find hundreds* of tasty meals that you can cook with your Airfryer, paired with the NutriU App. The more you use NutriU, the more personalised recommendations you get. You can easily download our NutriU App from the Google Play Store or Apple Store and then pair it to your Airfryer.

Tasty Airfryer recipes

Discover hundreds* of mouthwatering Airfryer recipes that are tasty, healthy and convenient to make. Most recipes in the NutriU App are curated by nutritional experts for everyday cooking.

Step by step guidance

Unleash your inner chef and dare to cook a variety of meals that are tasty and healthy. The NutriU App will guide you every step of the

way so that you can make homemade meals that you and your family love, every day.

Select, set and relax

Choose a recipe, send it to the Airfryer and monitor the progress of your cooking – from the comfort of your sofa. When your dish is done, you will receive an alert.

Amazon Alexa compatible

Voice control enabled, compatible with Amazon Alexa.

Rapid Air technology

Rapid Air Technology, with its unique starfish design, swirls hot air to create delicious foods that are crispy on the outside and tender on the inside, with little-to-no added oil.

HD9280/90

Air is the new oil

The Philips Airfryer uses hot air to cook your favourite foods to crispy perfection, with up to 90% less fat.*

13-in-1 cooking functions

The Philips Airfryer opens up a world of possibilities: fry, bake, grill, roast, dehydrate, toast, defrost, reheat and many more.

XL Size. For the whole family

The Philips Airfryer XL is designed with your family in mind. The 1.2 Kg capacity basket, combined with the 6.2 L pan, help you cook a variety of meals. Make up to 5 meal portions in one go for your family and friends.
