Original Equipment Quality

Original Equipment Quality

The Standard lamp is used by major manufacturers and you can find it in many new vehicles. It ensures efficiency, quality and excellent value for money.

Very high quality and ultra resistant car lamp

- Change both your headlamps at once for more safety
- Philips moto lamps are made of high-quality quartz glass
- Safety and Style solutions are available for all your needs.

Original equipment manufacturer

- Philips is the choice of major motorbike manufacturers.

Highlights

Change in pairs

Highly recommended to change them in pairs for symmetric light performance

Manufacturers' choice

For over 100 years, Philips lamps have been at the forefront of the automotive lighting industry, introducing technological innovations that have become standard in modern vehicles. Today, one in two cars in Europe and one in three worldwide is equipped with Philips lighting.

High quality quartz glass

UV-Quartz glass is stronger than hard glass and highly resistant to temperature extremes and vibrations, which eliminates the risk of

explosion. So Philips quartz-glass lamps (filament 2 650° C and glass 800° C) are able to withstand severe thermal shock. With the capability of increased pressure inside the lamp, UV-quartz glass is able to produce a more powerful light. And more powerful light means an enhanced driving experience, however dark the road in front of you.

Solutions for all needs

Riders' lighting needs are different depending on the time of day, road conditions and personal preferences. Philips motorcycle lighting offers a wide range to choose from. All can have optimal lights for their road ahead.

Specifications

Packaging Data

EAN3: 8727900351873

Packaging type: C1L

Marketing specifications

Expected benefits: Long Life

Product highlight: Original Equipment Quality

Product description

Range: Standard

Technology: Halogen

Application: High beam, Low beam

Type: M5

Base: P15d-25-1

Designation: M5-12153ES-C

Electrical characteristics

Voltage: 12 V

Wattage: 35/35 W

Ordering information

Ordering code: 35185960

Order entry: 12153ESC1

Packed product information

Gross weight per piece: 13.24 g

Height: 6.5 cm

Length: 2.7 cm

Net weight per piece: 9.34 g

Width: 2.6 cm

MOQ (for professionals): 100

Pack Quantity: 1

Outerpack information

Gross weight per piece: 1.800 g

Height: 15 cm

Length: 30 cm

Net weight per piece: 934 g

Width: 15.5 cm
