## Highlights

### Powerful brightness

Select our bright white Philips Ultinon Pro6000 LED lights for superior visibility and style inside your car. Bright and stylish, these lights will transform your driving experience. Whether you're searching for a dropped phone, your passengers want to read or you're trying to work out the best route to your destination, you can now enjoy bright interior light.

### Uniform light distribution

Philips Ultinon Pro6000 LED interior lights provide a powerful daylight effect of up to 4000 K, illuminating your car's passenger compartment with bright, uniform, stylish light.

### Elegant LED light

If you're looking to improve both the lighting and style of your vehicle's interior, opt for Philips Ultinon Pro6000 LED bulbs. Crisp white light will help you sort through your glove box, find the phone or wallet that slipped under the seat or

search for something in the boot. Besides helping you see better, it also looks pretty elegant.

### Lifetime of up to 5,000 hours

You want bright, stylish car lights but you don't want to keep replacing failed lamps. That's a major weakness of conventional bulbs - the more powerful the light, the shorter its lifespan. Even at a higher light intensity, LEDs last much longer. Philips Ultinon Pro6000 LED lights are built to last. Due to features such as high-end LED technology and advanced heat-management systems, they last for up to 5,000 hours of operation.

### Ready, steady, installed!

Enjoy the plug-and-play experience: with Philips Ultinon Pro6000, bulb replacement is quick and easy.
