

Multi-Dock Station

Xperion 6000

Smart, versatile design

ACCMUDOX1

# Easy-to-use charging station

Docking station for charging multiple devices

The Philips LED work light Accessory Multi-Dock Station is a cordless accessory for the Xperion range of work lamps. Placed on a table, it can cordlessly charge two devices at the same time or simply act as a storage point.

## Smart, versatile design

- Combine Dock Station with "Find My Device"
- Cordless charging for multiple Xperion devices
- LED charging indicator

#### ACCMUDOX1/10

## Highlights

## **Cordless charger**

Store and charge your LED Xperion work lights1 at the same time with the Philips Multi-Dock Station. Move it to a table or wherever it's needed and leave your power sockets free for other devices.

#### **LED charging indicator**

The Philips Multi-Dock Station is equipped with an LED indicator that shows its charging status. The indicator blinks during the charging process and turns green when fully charged.

#### **Combine accessories**

Designed with you in mind, the Philips Multi-Dock Station includes a dedicated space for the "Find My Device" accessory remote control, which is a handy tool for locating misplaced work lamps.

## Specifications
