## See clearly. Work better

Professional tool, designed for ultimate performance

We are working with experts to better understand how light affects worker performance in production environments. With these insights, we have created lighting solutions that generate safe work environments.

### High resistance

- Robust housing, water and dust resistant

## Highlights

### Robust housing

The MDLS is IK07 shock resistant and IP54 water, dust and workshop solvent resistant. All these standards will provide you with a

good level of robustness and will protect your MDLS from shocks, water, dust and workshop solvents.

## Specifications

### Outer Carton

Number of consumer packages: 2

Outer carton (L x W x H): 46 x 33 x 17 cm

Gross weight: 2.276 kg

GTIN: 1 87 27900 38664 3

### Convenience

Shock Resistance: IK09

### Power

Battery life time: up to 6 hr
