Drive with style

Ultimate brightness and unique stylish blue light

BlueVision ultra headlights are for drivers seeking to personalise their vehicles. With BlueVision ultra, drivers enjoy a blue xenon effect thanks to its unique Gradient Coating™ technology, unmatched in a fully homologated road-legal lamp.

The best blue Xenon effect for halogen lamps

- More style with 4000 K blue xenon effect in the headlights
- BlueVision ultra is based on a Gradient Coating™ technology
- 2 indicator W5W are offered with BlueVision ultra
- Wide range of 12 V lamps to meet all functions
- Change both your headlamps at once for more safety

Original Equipment manufacturer

- Philips is the choice of all major car manufacturers
- Award-winning car lamp manufacturer
- Complying with the high quality standards of ECE homologation

Very high quality and ultra-resistant car lamp

- Philips car lamps are made of high-quality quartz glass
- Philips car lamps are highly resistant to humidity
- Philips car lamps are highly UV resistant

Highlights

2 indicator W5W offered

Give your car a full stylish blue look thanks to the 2 blue W5W offered

4000 K bright white light

Providing 4000 K bright white light on the road and a unique bluish xenon effect in the headlight, the BlueVision ultra is the right choice for drivers seeking to drive with style without compromising on safety.

A unique coating technology

Thanks its exclusive Gradient Coating™ technology, BlueVision ultra further improves the xenon effect in the headlight.

Car manufacturers' choice

For 100 years, Philips has been at the forefront of the automotive lighting industry, introducing technological innovations that have become standard on modern

automobiles. Today, one in two cars in Europe and one in three worldwide is equipped with Philips lighting

Change in pairs

It is highly recommended to change them in pairs for symmetrical light performance

Designed for multiple usage

Which 12V lamp for which function? Philips Automotive offering includes all car specific functions: high beam, low beam, front fog, front indicator, side indicator, rear indicator, stop light, reversing light, rear fog light, licence plate lights, rear position/parking light, interior lights.

ECE homologation

Philips Automotive is dedicated to producing best-in-class products and services in the Original Equipment Manufacturer market as well as in the aftermarket. Our products are manufactured from high-quality materials and tested to the highest specifications to maximise the safety and driving comfort of our customers. Our entire production is meticulously tested, controlled and certified (ISO 9001, ISO 14001 and QSO 9000) to the highest ECE requirements

High-quality quartz glass

UV-Quartz glass is stronger than hard glass and highly resistant to temperature extremes and vibrations, which eliminates the risk of explosion. Philips quartz-glass lamps (filament 2650° C and glass 800° C) are able to withstand severe thermal shock. With the capability for increased pressure inside the lamp, UV-quartz glass is able to produce a more powerful light

Resistance to humidity

Only a burning bulb made of quartz glass (filament 2650°c, glass 800°c) can resist thermal shocks: if a drop of cold water touches the hot bulb, which can happen when you drive through water with a broken headlight unit.

Award-winning car lamps

Our lamps are often rewarded by automotive experts

Specifications

Packaging Data

Packaging type: B1
EAN1: 8727900360691
EAN3: 8727900360707

Electrical characteristics

Voltage: 12 V
Wattage: 55 W

Lifetime

Life time: 350 h

Light characteristics

Colour temperature: 4000 K
Lumens: 1550 ±15% lm

Ordering information

Order entry: 12258BVUB1
Ordering code: 36069130

Outer pack information

Gross weight per piece: 0.22 kg
Height: 11 cm
Length: 19.5 cm
Width: 15.3 cm

Product description

Type: H1
Application: High beam, Front fog light, Low beam
Designation: H1 BlueVision ultra
Homologation ECE

Range: BlueVision Ultra

Technology: Halogen

Base: P14, 5s

Packed product information

Gross weight per piece: 22 g
Height: 13.5 cm
Length: 2.568 cm
Net weight per piece: 5.95 g
Pack Quantity / MOQ: 10
Width: 9.5 cm

Marketing specifications

Expected benefits: Style
Product highlight: Xenon ultimate effect
