All the lamps you need in one kit

Replacement kit with H7 lamps

At Philips Automotive, it is our main goal to care about safety on the road. As it is recommended to always have replacement parts in the car, we offer spare kits with all necessary replacement lamps to face any failure that could occur.

Superior replacement lamp kit

- Robust box construction to prevent damage or breakage
- The Easy Kit has headlamps offering up to 30% more vision
- Range covering 90% of car park

Philips quality lamps

- The Easy Kit contains headlamps offering 30% more light
- Spare kit is fitted with Philips quality homologated lamps

Highlights

30% more light on the road

Our lighting solutions produce a powerful and precise beam with superior light output. Take advantage of headlamp replacement to increase your visibility on the road.

A robust construction

Spare kit boxes are made of resistant materials and designed to withstand mechanical damage preventing lamps from breaking.

Easy storage in the car

Designed with drivers in mind, the Easy Kit was optimised to fit in your boot or glovebox while taking up a minimal amount of space.

High-quality homologated lamps

The Philips spare kits are fitted with best-in-class products. Made from high-quality materials and tested to the highest specifications to maximise the safety and driving comfort of our users. Our entire lamp production is meticulously tested, controlled and certified (ISO 9001, ISO 14001 and QSO 9000) to the highest ECE requirements.

Maximised car range coverage

Offering a large variety of spare bulbs, Philips Spare Kits fit on average 90% of the car park. They are the perfect choice for drivers concerned about their safety.
