

PHILIPS

car headlight bulb

LongLife EcoVision

Type of lamp: H11

Pack of: 1

12 V,55 W

12362LLECO1

Drive with care

Higher lifetime, less replacement

Tired of changing your headlight bulbs all the time? With higher lifetime of a car bulb, Philips LongLife EcoVision is the choice for drivers seeking to minimise maintenance on their vehicles.

Lasts significantly longer than a standard lamp

- High quality filament design to minimize maintenance
- Wide range of 12V lamps to meet all functions
- Less waste thanks to fewer replacement
- Change both your headlamps at once for more safety

Original Equipment manufacturer

- Philips are the choice of major car manufacturers.
- Award winning car lamp manufacturer
- Respecting high quality standards of the ECE homologation

Very high quality and ultra resistant car lamp

- Philips car lamps are made of high-quality quartz glass
- Philips car lamps are highly resistant against humidity
- Philips car lamps are highly UV resistant

Highlights

Change by pairs

Highly recommended to change them by pairs for symmetric light performance

Designed for multiple usage

Which 12V lamp for which function ? Philips Automotive offering includes all car specific functions : high beam, Low beam, front fog, front indicator, side indicator, rear indicator, stop light, reversing light, rear fog light, license plate lights, rear position/parking light, interior lights.

ECE homologation

Philips automotive products and services are considered best-in-class in the Original Equipment Manufacturer market and the aftermarket. Manufactured from high quality products and tested to the highest specifications, our products are designed to maximize the safety and comfort of our customers' driving experience. Our entire product range is thoroughly tested, controlled and certified (ISO 9001, ISO 14001 and QSO 9000) to the highest ECE requirements. Put simply, this is quality you can trust.

High quality quartz glass

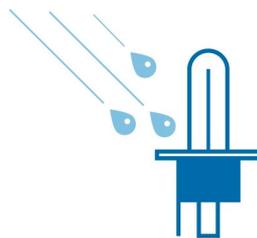

UV-Quartz glass is stronger than hard glass and highly resistant to temperature extremes and vibrations, which eliminates the risk of explosion. Philips quartz-glass lamps (filament 2650°C and glass 800°C) are able to withstand severe thermal shock. With the capability of increased pressure inside the lamp, UV-quartz glass is able to produce a more powerful light

Reduced maintenance

With Philips LongLifeEcoVision you need significantly fewer lamp replacements. This makes them the ideal lamp for high voltage cars.

Resistance against humidity

Only a burning bulb made of quartz glass (filament 2650°C, glass 800°C) can resist thermal shocks : if a drop of cold water

touches the hot bulb, which can happen when you drive through water with a broken headlight unit.

Rewarded Car lamps

Our lamps are often rewarded by automotive experts

UV Resistant

Philips special anti-UV coating technology protects the headlights against harmful ultraviolet radiation, making Philips UV-coated quartz glass perfect for all driving conditions and ensures their longevity

Reduce waste, drive greener

It is the right choice for drivers looking for an environmentally friendly lighting solution.

Car manufacturers' choice

For 100 years, Philips has been at the forefront of the automotive lighting industry, introducing technological innovations that have become standard on modern automobiles. Today, one in two cars in Europe and one in three worldwide is equipped with Philips lighting.

Specifications

Packaging Data

EAN3: 8727900370744

EAN1: 8727900361940

Packaging type: CP

Electrical characteristics

Voltage: 12 V

Wattage: 55 W

Lifetime

Life time: 2000h

Light characteristics

Lumens: 1350 ±10% lm

Color temperature: Up to 3100 K

Ordering information

Order entry: 12362LLECO1

Ordering code: 36194044, 36259628

Outerpack information

Gross weight per piece: 1.5 kg

Height: 20 cm

Length: 26.1 cm

Width: 20.6 cm

Product description

Type: H11

Application: High beam, Front fog light, Low beam

Designation: H11 LongLife EcoVision

Homologation ECE

Range: LongLife EcoVision

Technology: Halogen

Base: PGJ19-2

Packed product information

Pack Quantity: 1

MOQ (for professionals): 10

Gross weight per piece: 30, 46 g

Height: 9 cm

Length: 4.5 cm

Net weight per piece: 22 g

Width: 3.8 cm

Marketing specifications

Expected benefits: Long lasting

Product highlight: Higher lifetime
