Highlights

Automatic recording

Automatic recording

As soon as you power on your vehicle, the driving recorder starts operating automatically.

Full HD

Full HD

Capture vivid details with 1080p Full HD definition

Night view

Night visibility

Capture sharpest details, day and night. With optimized Night View.

Collision detection

Collision detection

In case of a collision, an emergency recording is automatically saved to secure the evidence and prevent overwriting.

Proof stamp

Instant replay to clarify responsibility on the spot, with proof stamped evidence, to support & speed up insurance claim process

OE quality

Philips brought its worldwide automotive expertise to provide the best in-car performance and a long-lasting quality. High vibration and temperature resistance CE/ FCC certified for safe installation and use Sturdy mounting with easy fitting and adjustment.

Fatigue index

Fatigue index

The fatigue index shows the evolution of a driver's fatigue, and will indicate a visual and acoustic warning message when the driver should be taking a rest.

Emergency Easy Capture

Emergency EasyCapture

Philips EasyCapture ensures fast and easy emergency recording buttons at hand. Capture and save everything that happens on the road when you need it: one button clearly identified on the device, and one on the cigarette lighter adaptor.

View angle

Wide angle 156°

Capture more of the scene with a proven 156° degree super wide angle

Specifications

Product description

Designation: ADR810
Technology: Automotive Driving Recorder
Languages: English, Chinese, Japanese
Interface: Mini USB 2.0, HDMI, Speaker
Operating Temperature: -10 ~ 65 °C
Storage Temperature: -20 ~ 70 °C
File Format: .MOV, H.264 video compression
Fixed Lens: 156° super wide angle lens
Internal Memory: 64Mb SPI Flash
Random Access Memory: 64Mx16bit (1Gbits)
DDR2 SDRAM
Recording Time: 160min @16GB for full HD
Display: 2.7" LCD
G-sensor
Auto exposure
Auto white balance
Improved night visibility
LCD Auto Off
Seamless loop recording

Automatic recording
Aperture Range: F/#2.0
Collision detection
Date and time stamp
Image Sensor: 2.1 Mega-pixels CMOS
Video resolution: Full
HD(1920x1080p) @30fps
Emergency file protection
Recording media (ext. Memory): Micro SD card
(up to 32GB)

Packaging Data

EAN1: 6947939173983
EAN3: 6947939173990

Accessories included

Accessories: 12V cable, mounting bracket
Power cable length: 4 m
Power: 12 V car adapter

Weight and dimensions

Product dimensions (L x W x H): 106.7 x 50.0 x 32.5 mm
Product weight: 83 g
Box weight (incl. product): 370 g

Marketing specifications

Expected benefits: Your road safety guardian
Product highlight: with emergency Easy Capture
