- ECE certification: NO
- Range: CANbus Light repair
- Technology: LED
- Type: CANbus Light repair LED-HL H7

Electrical characteristics

- Voltage: 12 V

Ordering information

- Order entry: 18961C2
- Ordering code: 281594

Packaging Data

- EAN1: 8719018002815
- EAN3: 8719018002822
- Packaging type: C2

Packed product information

- Gross weight per piece: 60 g
- Length: 6.8 cm
- Width: 2.8 cm
- Height: 12 cm
- Net weight per piece: 20 g
- MOQ (for professionals): 4

Outer pack information

- Length: 19.5 cm
- Width: 25.5 cm
- Height: 8.5 cm
- Gross weight per piece: 0.5 g

Highlights

Smooth function

Some car models have specific challenges for LED-based retrofit lamps. Unique Philips CANbus adaptors ensure smooth functioning for any electrical issues.

Plug and play

Thanks to the advanced design, the CANbus adaptor is easily installed for good performance from day one.

Waterproof connectors

The automotive design of the CANbus adaptor takes into consideration the demanding conditions of everyday use in the engine compartment.
