For fresh and healthy air in your car

Enjoy fresh and healthy air in your car with Philips GoPure Automotive Clean Air system. The Philips unique 3-layer filtration process removes up to 99% of in-car air pollution, to keep you and your family in good health.

High air purification power

- Cleans 99% of in-car air pollutants. Healthy air in 15 min

Easy installation

- Including 4m 12V power cable and mounting accessories

Easy operation

- Automatic switch on/off
- Filter replacement indication

Highlights

Easy installation

Including 4m 12V power cable and mounting accessories for safe installation on head rest and under seats.

Easy operation

Automatic switch on when you start your car, with 2 speeds to adjust filtration power

Easy operation

Filter replacement indication when filter needs to be changed

High air purification power

Unique 3-layers filtration process eliminates 99% of 0.3µm (PM2.5) harmful fine particles (incl. industry and exhaust fumes, dust, allergens, bacteria and viruses), and neutralizes 99% of toxic gaseous chemicals (incl. car interior plastics and upholstery)

Specifications

Product description

Color: Black
Air flow: 15 m³/h
Noise level: 40 (Low) - 50 (High) dB
Air particle sensor: No
Air quality indicator (AQI): No
Automatic On/Off
Filter replacement indicator
Filter type: FIL301ACA
Fragrance dispenser: No
Frequency: 50 Hz
Speed settings: 2 speeds
Power: 3 W
Voltage: 12 V
Filter Lifetime: 350 hr
App enabled: No
Designation: GP Compact 100
Technology: Automotive clean air system

Weight and dimensions

Box dimensions (L x W x H): 225 x 180 x 79 mm
Box weight: 840 g
Product dimensions (L x W x H): 176 x 176 x 73 mm
Product weight: 610 g

Accessories included

12v power cable length: 4 m
Mounting accessories: Attachment belt
