Highlights

Long-lasting performance

Philips LED connector rings are made of durable metal and can withstand physical and thermal stress. They have been tested in the toughest conditions so you can enjoy their long-lasting performance.

Compatible with most vehicles

Philips HL [~H7] LED headlighting bulbs are compatible with a wide range of vehicles. To find out if you need additional adapter rings to upgrade to LED, check our Philips compatibility list**. Please review it regularly for your vehicle, as we update our list continuously.

Model-specific adapter rings

When upgrading to LED headlighting, you may need adapter rings compatible with your car model to securely install the LED bulb inside the headlamp. Philips LED adapter rings are easy to install and are compatible with a wide range of vehicle. Find the user manual on the Philips support page***.
