**PHILIPS**

## Caractéristiques

### Maximum visibility

- City: SafeRide

### Ease of use

- Easy installation: Yes

## Points forts

### 100% waterproof

Shave or trim your beard where you want to, wet or dry. When you're done, just rinse it off under the tap.

### Can be installed without tools

The Saferide LED Rearlight Lumiring can also be attached to a seat post holder. This accessory is easy to install and gives a tight grip within minutes.

### 21 and 32 mm handlebars

Suitable for virtually all 21 and 32 mm handlebars, the bike light handlebar solution is adaptable and compatible with a wide range of bikes.
