Feel safe, drive safe

up to 30% more light compared to a standard halogen

Producing 30% more light compared to a standard halogen lamp, Premium headlight bulbs ensure excellent lighting performance, Original Equipment quality and a very competitive price for greater safety and comfort.

Original Equipment manufacturer

- Philips is the choice of major car manufacturers

A better performance than a standard halogen bulb

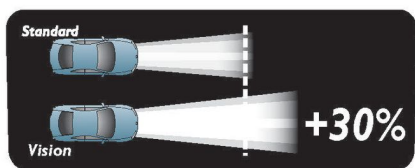

- Vision bulbs project longer light beams than standard lamps
- Road safety begins with seeing and being seen

High quality upgrade headlight

- Change both your headlamps at once for more safety

Highlights

Up to 30% more vision

Our lighting solutions produce a powerful and precise beam of light with maximum output. We consistently produce the best, most efficient lighting solutions because we know that our high-quality lighting may one day save a life.

Better visibility

Light is a fundamental part of the driving experience and light is the first and only part of the safety circle that actually helps to prevent accidents. Philips promotes active safety protection to prevent accidents by increasing overall visibility and road illumination.

Car manufacturer choice

For 100 years, Philips has been at the forefront of the automotive lighting industry, introducing technological innovations that have become standard on modern automobiles. Today, one in two cars in Europe and one in three worldwide is equipped with Philips lighting.

Replace in pairs

It is highly recommended to replace your headlight bulbs in pairs for symmetric light performance.

Packaging Data

EAN1: 8711500406071

EAN3: 8711500406088

Packaging type: B1

Product description

Technology: Halogen

Application: High beam, Low beam, fog beam

Range: Vision

Type: H7

Homologation ECE

Designation: H7-12972PR-BI

Base: PX26d

Marking ECE: E1 22Z

Electrical characteristics

Wattage: 60/55 W

Voltage: 12 V

Marketing specifications

Expected benefits: More light

Product highlight: Drive safe, Feel safe

Light characteristics

Lumens: 1500 ± 10% lm ±10 %

Ordering information

Order entry: 12972PRB1

Ordering code: 40607130
