

PHILIPS

Headlight bulb

Essential Moto

Type of lamp: M5

Pack of: 1

12 V,35/35 W

Standard

12152ESC1

High quality replacement headlight

Ultra resistant with UV-quartz glass

Philips EssentialVision Moto halogen headlamp is the high quality replacement lamp for you.

High quality light for replacement use

- Quality replacement light for a comfortable ride
- Philips car lamps are made of high-quality quartz glass^

Ultra resistant with UV-quartz glass

- Philips car lamps are highly resistant against humidity*
- Philips car lamps are highly UV resistant
- Philips is the choice of major car manufacturers

Highlights

High quality replacement light

Philips Essential Moto headlights provides the optimal light performance for your everyday use.

Car manufacturers' choice

For 100 years, Philips has been at the forefront of the automotive lighting industry, introducing technological innovations that have become standard on modern automobiles. Today, one in two cars in Europe and one in three worldwide is equipped with Philips lighting.

Resistance against humidity

Only a burning bulb made of quartz glass (filament 2650°C, glass 800°C) can resist thermal shocks : such as, if a drop of cold water touches the hot bulb, when you drive through water with a broken headlight unit.

UV Resistant

Philips special anti-UV coating technology protects the headlights against harmful ultraviolet radiation, making Philips UV-coated quartz glass perfect for all driving conditions and ensures their longevity

High quality quartz glass

UV-Quartz glass is stronger than hard glass and highly resistant to temperature extremes and vibrations, eliminating the risk of explosion. Philips quartz-glass lamps (filament 2 650[°]C and glass 800[°]C) are able to withstand severe thermal shock. With the capability to withhold increased pressure inside the lamp, UV-quartz glass is able to produce more powerful lighting. ^Application varies per bulb type.

Specifications

Packaging Data

Packaging type: C1
EAN1: 8727900532548
EAN3: 8727900532579

Light characteristics

Lumens: 720 lm ± 15% lm

Marketing specifications

Expected benefits: High quality light
Product highlight: UV-blocking quartz

Product description

Designation: M5 Essential Moto
Range: Essential Moto
Technology: Halogen
Base: BA20d
Application: High beam, Low beam, Additional high beam
Type: M5
Marking ECE: N/A
Homologation ECE: NO

Lifetime

Life time: 150h

Electrical characteristics

Voltage: 12 V
Wattage: 35/35 W

Ordering information

Ordering code: 53254860
Order entry: 12152ESC1

Packed product information

Gross weight per piece: 18 g
Height: 6.5 cm
Length: 2.7 cm
Net weight per piece: 11.57 g
Pack Quantity / MOQ: 100
Width: 2.6 cm

Outerpack information

Gross weight per piece: 1800 g
Height: 15 cm
Length: 30 cm
Net weight per piece: 1157 g
Width: 15.5 cm
