- Philips is the choice of major motorbike manufacturers.
- Respecting the high quality standards of ECE homologation

Up to 30% more vision than a standard light

- Philips moto lamps are made of high-quality quartz glass

Highlights

Best value

The Philips Vision Moto lamps are the best choice for drivers looking for economical lamp solutions and not willing to compromise on security. The motorcycle bulbs offer 30% more vision on the road than a standard lamp.

ECE homologation

Philips Automotive is dedicated to producing best-in-class products and services in the Original Equipment Manufacturer market as well as in the aftermarket. Our products are manufactured from high-quality materials and tested to the highest specifications to maximise the safety and driving comfort of our customers. Our entire production is meticulously tested, controlled and certified (ISO 9001, ISO 14001 and QSO 9000) to the highest ECE requirements.

Greater light-beam projection

Offering up to 30% more vision on the road, Philips VisionMoto headlamps are the perfect choice for motorcycle riders seeking light

performance and safety. With better light output, riders can react faster to obstacles and avoid accidents.

Manufacturers' choice

For 100 years, Philips has been at the forefront of the automotive lighting industry, introducing technological innovations that have become standard on modern automobiles. Today, one in two cars in Europe and one in three worldwide is equipped with Philips lighting.

High-quality quartz glass

UV-Quartz glass is stronger than hard glass and highly resistant to temperature extremes and vibrations, which eliminates the risk of explosion. Philips quartz-glass lamps (filament 2650° C and glass 800° C) are able to withstand severe thermal shock. With the capability for increased pressure inside the lamp, UV-quartz glass is able to produce a more powerful light.

Specifications

Packaging Data

Packaging type: Blister
EAN1: 8711500773814
EAN3: 8711500773845

Light characteristics

Lumens: 825 ±15%

Marketing specifications

Expected benefits: More light
Product highlight: Up to 30% more vision

Product description

Designation: S3 Vision Moto
Range: Vision Moto
Technology: Halogen
Base: P26s
Application: High beam, Low beam
Type: S3

Lifetime

Lifespan: Up to 400 h

Electrical characteristics

Voltage: 12 V
Wattage: 15 W

Ordering information

Ordering code: 77381430
Order entry: 12008BW

Packed product information

Gross weight per piece: 38.2 g
Height: 12.9 cm
Length: 9.5 cm
Net weight per piece: 8.77 g
Pack Quantity / MOQ: 10
Width: 3.7 cm

Outer pack information

Gross weight per piece: 382 g
Height: 13 cm
Length: 19 cm
Width: 19 cm
