· Experience improved visibility

#### Compatible with major vehicle models

• 12 V compatibility for wider application

LED Fog lights 11086UE2X2/50

## Highlights

#### Up to 6,500 Kelvin white light

For that modern, high-end style, customize your car with Philips Ultinon Essential LED Fog light bulbs. With a color temperature of up to 6,500 Kelvin, these bulbs project a modern white light so you can always stand out from the crowd with a stylish beam.

#### Reliable dual heat dissipation

Optimal performance with superior durability places Philips Ultinon Essential LED Fog light bulbs at the forefront of LED technology. Thanks to the dual heat-dissipation mechanism - built-in fan and an aluminum heatsink with anonizing coating - these LED Fog light bulbs disperse heat more effectively and efficiently. They can perform at their highest level of brightness for a longer period of time.

#### Compact all in one design

Philips Ultinon Essential LED uses a brandnew bulb design that integrates the driverbox electonics into the body allowing more space for bulb in the fog light and hence faciliting easy fit. Enjoy the plug-and-play experience: the one-piece design allows to take the out the center ring from top easily, without unscrewing. Philips Ultinon Essential LED with its compact design fits a wide range of car models and can be easily installed by specialist mechanics.

#### **Powerful brightness**

The uniform, accurate beam pattern lets you see and be seen more clearly. Thanks to the precise optical design of Philips Ultinon Essential LED, the light is projected just where you need it on the road. Not only will you be able to spot obstacles faster and drive with more confidence, you'll avoid blinding other drivers with dangerous glare making everyone safer on the road. For a sharp beam, it's also important that the bulb is correctly positioned in your fog light.

#### 12V compatibility

Philips Ultinon Essential LED is a perfect fit for a wide range of vehicles and is compatible with both 12 V electrical systems.

# Specifications

#### **Packaging Data**

Packaging type: X2 EAN1: 046678001901 EAN3: 50046678001906
