## See clearly. Work better

### Professional portable inspection tool

Philips LED Inspection lamp Penlight is the perfect tool for quick inspection work, combining high-power LED, water and dust resistance (IP54) and user friendliness in a small form factor.

#### Brighter and longer lasting

- High quality LED light up to 85 lumens
- Very intense white light with high-power LED

#### See what remains hidden for others

- Eliminates all shadows
- Focus light: 100 lux
- 20 lumen LED pointer on top

#### High resistance

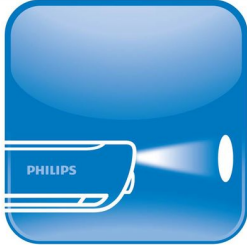

- Resistant to chemicals and workshop solvents
- Strong impact resistance -IK07
- Water and dust protected -IP54

# Highlights

## Eliminates all shadows

Eliminates all shadows

## Focus light: 100 lux

The focus light will enable you to see what remains hidden for other: thanks to the ultra-slim design of the lamp can be maneuvered into very neat cavities and the strong LED source will illuminate all.

## High quality LED light

As the international market leader in car lighting, we have years of experience and know-how in light. The Philips LED inspection lamps are equipped with high quality LEDs.

Our LEDs combine strong light performance with a natural color rendering for fatigue-free work.

## Resistant to chemicals

As well as resisting knocks, the inspection lamp cases are resistant to water, chemicals and workshop solvents.

## Strong impact resistance -IK07

Strong impact resistance -IK07

## Very intense white light

Very intense white light with high-power LED focus light which produces a natural light that is easier on the eyes

## Water and dust protected -IP54

The LED inspection lamp is water resistant and conforms to IP54.

## 20 lumen LED pointer on top

The focus light will enable you to see what remains hidden for others; thanks to its ultra-slim design the lamp can be manoeuvred into very small cavities and the strong LED source will illuminate all.

# Specifications

## Maximum visibility

Beam angle: 35-44°

Beam angle (Pointer): 15°

Light intensity: 210 lux at 0.5 m

Light output: 130 lumens

Light output (Pointer): 20 lumens

Pointing light

Number of LED: 7

## Robust

Ingress protection rating (IP): IP54

Resistant to: grease, oil, workshop solvents

## Ordering information

Order entry: LPL02B6LPB1

Ordering code: 38515131

Packaging type: B1L

## Hands-free

Magnet: No

## Power

Battery run time: up to 11 hours

Battery Type: 3 x Philips AAA

Operating line voltage: 3 x AAA = 4.5V

Power consumption: 1.3 W

Power source: Battery

## Product weight

Gross weight per piece: 126.667 g

Net weight per piece: 38 g

## Product Dimensions

Lamp dimension (L x W x H): 8 x 23.5 x 2.5

Size: Compact
