Specifications

Marketing specifications

- Expected benefits: Style
- Product highlight: Philips LED lamps

Product description

- Application: High beam, Low beam
- Base: 3LUG
- Designation: H6024LED
- Homologation ECE: NO
- Range: LED
- Technology: LED
- Type: H6024LED

Lifetime

- Life time: 1500 hrs.

Light characteristics

- Color temperature: 6000 K

Electrical characteristics

- Wattage [W]: 14 W
- Voltage [V]: 12 V and 24 V

Ordering information

- Order entry: L6024X1
- Ordering code: H6024LED

Packaging Data

- EAN1: 046678000195
- EAN3: 30046678000196
- Packaging type: X1

Packed product information

- Pack Quantity: 1
- MOQ (for professionals): 2
- Length [in]: 7.09
- Width [in]: 7.09
- Height [in]: 4.61
- Net weight per piece [lb]: 1.99
- Gross weight per piece [lb]: 1.99

Outerpack information

- Length [in]: 14.92
- Width [in]: 7.76
- Height [in]: 5.98
- Gross weight per piece [lb]: 4.65
- Net weight per piece [lb]: 4.65

Highlights

Up to 6,000 Kelvin light

Upgrade your vehicle with Philips LED Integral Beams! Providing powerful cool white light, our LEDs project sharp cutoff point and legal beam on the road. Get the high tech look for your vehicles on or off-road with Philips LED Integral Beam.

Universal LED replacement

Universal LED replacement upgrade for vehicles with 7" round, 5"x7" and 4"x6" rectangular sealed beam applications. More commonly known as H6024, H6054, H4651, H4656 applications. With a durable plastic lens for tough environments makes the LED Integral Beam lamps the best choice for agriculture, heavy duty vehicles, and other off-road vehicle applications.

Powerful brightness

The uniform, accurate beam pattern lets you see and be seen more clearly. Thanks to the precise optical design of Philips LED Integral Beam, the light is projected just where you need it on the road. Not only will you be able to spot obstacles faster and drive with more confidence, you'll avoid blinding other drivers with dangerous glare making everyone safer on the road. With a sharp cut-off point, you can ensure perfect alignment for optimal light performance and enhanced road safety.

12V and 24V compatibility

Philips LED Integral Beam is a perfect fit for a wide range of vehicles and is compatible with both 12V and 24V electrical systems.

Long-lasting performance

With over 100 years of automotive lighting experience, Philips lighting ensures that our Automotive Grade Quality products are designed and developed following strict quality control processes (including applicable ISO norms), leading to consistently high production standards.
