Dimensions

- Product dimensions (WxDxH): 215 x 46 x 23 mm
- Product dimension (WxDxH) inch: 8.46 x 1.81 x 0.91 inch

Highlights

Hygienic design

The choice of anti-microbial material combined with a cavity-free design, makes this hygienic remote control easy cleanable and free from germs.

Super long battery life

Free your staff from additional workload doing in-room interventions to change batteries. 2 AA alkaline batteries ensure very long battery life, up to 5 years.

Clear layout

Take control with effortless operation at your fingertips. A natural layout gives this remote control an intuitive feel with access to all the TV's features set neatly in place.

Multi-RC settings memory

Keep your settings exactly the same between battery changes. Multi-RC saves your configuration in a permanent storage for effortless maintenance.

Lockable battery compartment

The lockable battery compartment is secured with a screw, ensuring batteries can only be removed or changed by staff.

Low-battery detection

When the battery in your Philips Professional Remote Control runs low, a notification appears on the TV screen. Allowing you to change the batteries before service is affected.
