

Professional TV accessory

- DC Power Cable

22AV1965A/12

Philips 3m DC Power Cable

Made for the Philips HeartLine Bedside TV, the 3m DC Power Cable is as innovative as the display itself. Save time and effort during custom installations by ordering this power cable pre-mounted within the optional wall or ceiling arms.

Benefits

Benefits

- Enables pre-mounting within ceiling or wall arms
- Circumvents the need to route cables on-site
- Simplifies logistics with ready-to-go installations
