# Easy Remote Control

Simple and intuitive

This remote makes it easy to control your Philips Professional TV. There's no wondering which button to press: the clean, simple design strips away all but the most essential buttons and functions.

## Benefits

### Simple to use

- Large, color-coded, glow-in-the-dark buttons
- Volume and channel controls. Simple D-pad navigation

### Smarter by design

- Multi-RC settings memory
- Lockable battery compartment
- Low-battery detection

## Features

### Large, color-coded

This remote control's simple design strips away all but the most essential buttons and functions. The large volume and channel buttons are color-coded and glow-in-the-dark: for easy operation in any light.

### Multi-RC settings memory

Keep your settings exactly the same between battery changes. Multi-RC saves your configuration in a permanent storage for effortless maintenance.

### Lockable battery compartment

The lockable battery compartment is secured with a screw, ensuring batteries can only be removed or changed by staff.

# PHILIPS

### Low-battery detection

When the battery in your Philips Professional Remote Control runs low, a notification appears on the TV screen. Allowing you to change the batteries before service is affected.
