- Set height (with stand): 782 mm
- Set depth (with stand): 240 mm
- Product weight (+stand): 13 kg

Highlights

4K Ultra HD

Box Width: 135 mm
Box Height: 824 mm
Box Depth: 78 mm
The Philips 4K Ultra HD TV is four times the resolution of a conventional Full HD TV. With over 8 million pixels and a unique Pixel Plus Ultra HD Upscaling technology, you can experience 4K on the 200cm screen possible picture quality. The higher the quality of your original content, the better images and resolution you will be able to experience. Enjoy improved sharpness, increased depth perception, superior contrast, smooth natural motion, and flawless details.

Pixel Plus Ultra HD

Experience 4K Ultra HD sharpness with the Philips Pixel Plus Ultra HD engine. It optimizes picture quality to deliver smooth, fluid images with incredible detail and depth – Enjoy sharper 4K images with brighter whites and blacker blacks every time.

Modern edge feet look

When setting out to create a new TV, our teams consider every aspect: from technology to design. Our new edge feet were engineered to create space beneath your TV where a traditional stand would normally sit, offering you a more immersive viewing experience. The effect? A TV that stands confidently with a nod to the future.

LED TV

With LED backlight you can enjoy low power consumption and beautiful lines combined with high brightness, incredible contrast and vibrant colors.

Slim profile

Philips Slim profile TV makes a statement with its sleek, sophisticated dimensions. After all, why shouldn't your TV be as beautiful as it is functional?
