Features

Clear layout

Take control with effortless operation at your fingertips. A natural layout gives this remote control an intuitive feel with access to all the TV's features set neatly in place.

Lockable battery compartment

The lockable battery compartment is secured with a screw, ensuring batteries can only be removed or changed by staff.

Low-battery detection

When the battery in your Philips Professional Remote Control runs low, a notification appears on the TV screen. Allowing you to change the batteries before service is affected.?
