Easy to use

From guests to customers, give them access to everything your Philips Professional TV has to offer with this easy-to-use remote control featuring a dedicated YouTube button.

Benefits

Easy to use

- Clear layout for effortless operation
- YouTube button for quick access

Smarter by design

Features

Clear layout

Take control with effortless operation at your fingertips. A natural layout gives this remote control an intuitive feel with access to all the TV's features set neatly in place.

- Lockable battery compartment
- Low-battery detection

YouTube button

A dedicated YouTube button brings a world of entertainment to the big screen in a single push.

Lockable battery compartment

The lockable battery compartment is secured with a screw, ensuring batteries can only be removed or changed by staff.

PHILIPS

Low-battery detection

When the battery in your Philips Professional Remote Control runs low, a notification appears on the TV screen. Allowing you to change the batteries before service is affected.
