

Philips PerfectCare Aqua  
Pro  
Steam generator iron

**Max 6.7 bar pressure**

Up to 450g steam boost  
2.5 L water tank capacity  
Ultra-light iron

**GC9410/66**

# Super powerful ironing

with Ultra-light iron

PerfectCare Aqua Pro comes with our ultra-light iron and extra large 2.5 L watertank, ideal for long ironing sessions and perfect vertical steaming.

## **No temperature setting needed, guaranteed no burn**

- Iron jeans to silk, no need to change temperature setting
- Safe to leave the hot soleplate on the ironing board

## **Fast ironing with continuous powerful steam**

- Powerful steam for ultimate crease removal
- Easy and efficient descaling system
- Philips best gliding and most scratch resistant soleplate
- Save energy with ECO mode

## **Ultimate ironing experience**

- Enjoy powerful ironing with minimum noise
- Light weight and comfortable to handle
- Extra-large water tank for longer continuous use
- Safe and secure carry lock
- Automatic switch off for safety and energy saving

# PHILIPS

# Highlights

## OptimalTEMP technology

With OptimalTEMP technology you'll no longer have to waste time changing temperature settings, waiting for the temperature to adjust or pre-sorting clothes. Iron fabrics from jeans to silk, with guaranteed no burns thanks to the perfect combination of temperature and continuous powerful steam.

## Safe rest

Innovative OptimalTEMP technology guarantees no burn on all ironable fabrics. As well as the reassurance this provides whilst ironing, it also means you can leave the hot iron soleplate directly on your cotton ironing board without causing any damage. This helps to reduce any discomfort to your wrists, as you won't need to lift the iron to and from its base as often.

## Ultra powerful steam

An ultra-fast ironing experience can be yours with revolutionary technology. The powerful and continuous steam tackles even rough creases, and thicker fabrics are smoothed out with ease and speed. Plus there's an extra steam boost if needed, perfect for vertical steaming or stubborn creases.

## Easy De-Calc

Regular descaling protects your iron and ensures you'll continue to get the very best steam performance. The exclusively designed and ideally positioned Easy De-Calc Plus function provides the ideal way to get rid of lime scale and extend the lifespan of your steam generator iron. The iron will remind you with both light and sound when it's time to clean and descale. Then when your appliance is

cold, simply remove the Easy De-Calc knob, collect the dirty water and scale into a cup and discard.

## T-ionicGlide soleplate

The T-ionic Glide is Philips' most premium soleplate, promising superior gliding for more effortless and fast ironing. It has a stainless steel base which is harder and more durable than aluminum, with an integrated titanium oxide layer for advanced scratch resistance. Plus the carefully designed shape and vents provide an even better steam distribution for faster crease removal.

## Energy saving

ECO mode allows you to save energy without compromising your ironing results. The ECO mode uses a reduced amount of steam, but still a sufficient amount to iron all your garments.

# Specifications

## Easy to use

- Water tank capacity: 2500 ml
- Safe on all ironable fabrics: Even delicates like silk
- Heat up time: 2 minute(s)
- Soleplate gliding performance: 5 stars
- Soleplate name: T-ionicGlide
- Safety auto off
- Cord freedom (swivel): 360 degree cord freedom
- Refill any time during use
- Tap water suitable
- Power cord length: 1.8 m
- Hose length: 1.7 m
- Precision steam tip
- Ready to use: Light indicator
- Soleplate scratch resistance: 5 stars
- Extra large filling hole

## Technology

- OptimalTEMP technology
- Cyclonic steam chamber
- For all ironable fabrics
- No burns
- No temperature settings needed
- Silent steam Technology
- Smart Control Processor

## Fast crease removal

- Pressure: Max 6.7 bar
- Power: Max 2100 W
- Continuous steam: Up to 120 g/min

- Steam boost: Up to 450 g
- Vertical steam
- Voltage: 220 - 240 V
- Variable steam levels
- Ready to use: 2 minute(s)
- Steam-on-demand

## Scale management

- Descaling and cleaning: Easy De-calc
- Descaling reminder: Light, Yes

## Storage

- Carry lock: For transportation and safety
- Cord storage: Velcro fix
- Hose storage: Hose storage compartment

## Size and weight

- Weight of iron: 0.8 kg
- Product dimensions (WxHxL): 36.2 x 27 x 26.3 cm
- Weight of iron + base: 4.2 kg

## Green efficiency

- Energy saving mode
- Energy saving\*: 45 %
- Product packaging: 100% recycable
- User manual: 100% recycled paper

## Guarantee

- 2 year worldwide guarantee
