Versatile styling for smooth and shiny hair

Philips Rotating Volumebrush with 2 attachments

Use Philips Dynamic Volumebrush to create different styles, while keeping hair smooth and shiny. Its 50mm rotating natural bristle brush adds volume and movement while the retractable brush creates defined waves without tangles.

Protects your style, cares for your hair

- 50mm brush for smoother, shinier results
- Care+ setting for better protection while drying and styling

Ultimate shine and condition

- Ionic conditioning prevents frizz, maximizes shine
- Tourmaline ceramic adds more shine to your hair

Volume, body and waves without tangles

- 1000W power for beautiful results
- 50mm round brush adds volume and movement
- 30mm retractable brush for tangle free styling
- The brushes can be rotated in both directions
