Highlights

Modern edge feet look

When creating a new TV, our teams considered every aspect: from technology to design. Our designers were engineered to create space for you. The Philips 32PHT5102/71 stands confidently in your home. Its slim design allows it to fit in any room. The height of the stand is 129 mm, making it a perfect fit for any desk or table. The product weight (+stand) is 5.05 kg.

Pixel Plus HD

Pixel Plus HD engine optimizes picture quality to bring you images with beautiful contrast. So you can enjoy watching your favorite TV shows or watching from a device on any screen. It's 400 brighter whites and blacker blacks.

Smart TV

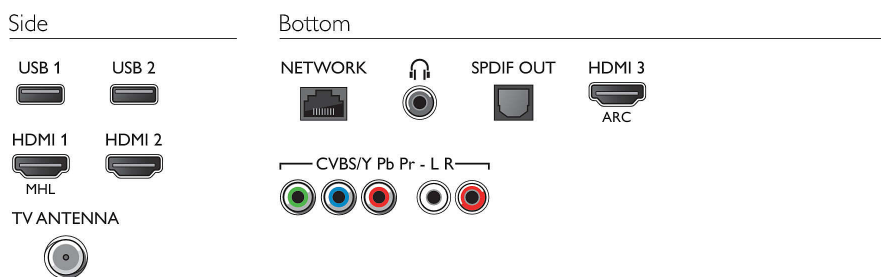

Discover a Smarter experience that lies beyond traditional TV. Rent and stream movies, videos or games from online video stores. Watch catch-up TV from your favorite channels and enjoy a growing selection of online apps with Smart TV.

LED TV

With LED backlight you can enjoy low power consumption and beautiful lines combined with high brightness, incredible contrast and vibrant colors.
