Keep it simple

Standalone Pro TV

From hotel room to boardroom, give them Philips vibrant Ultra HD picture quality with this budget-friendly standalone professional TV. Benefit from simple, lightning-fast installation and an on-screen welcome page that's easy to program.

Benefits

Vibrant picture. Easy management.

- 16/7. Ultra HD. Rich images. Stunning contrast
- Secure menu and control locking
- 3 years warranty, extendable to 5 years
- Multilingual customer support

Simple set up. Flexible connections.

- Mixed channel map to combine analogue, DVB-T/C/S channels
- Instant initial USB cloning. Rapidly configure Pro TVs
- HDMI & VGA for PC connection.

- Offline channel editor. Easily manage channels on a PC
- S2 satellite tuner on board

Cost-effective standalone solution

- USB auto playback. Music, movies, and more
- Low power consumption
- HDMI-CEC to control external devices

PHILIPS

Features

DVB-T/C/S channels

One integrated channel list for digital (T/C/S) and analogue channels. This allows the guest to flick seamlessly between Analogue and Digital (T/C/S) channels.

Instant initial USB cloning.

Provides the ability to easily copy all programming and channel programming settings from one TV into other TV sets in less than a minute. The feature ensures uniformity between TV sets and significantly reduces installation time and costs.

Control locking

By disabling or enabling the local control locking, the administrator can prevent unauthorised use of the TV via the control buttons, saving the hotelier overheads.

USB auto playback.

Share the fun. Connect your USB memory-stick, digital camera, mp3 player or other multimedia device to the USB port on your TV to enjoy photos, videos and music with the easy to use onscreen content browser.

Low power consumption

Philips TVs are designed to minimise power consumption. This will not only reduce environmental impact but also lower operating costs.
