- MPEG Support: MPEG2, MPEG4
- Video Playback: NTSC, PAL, SECAM

Power

- Mains power: AC 220 - 240 V 50/60 Hz
- Standby power consumption: <0.5 W
- Off mode power consumption: < 0.5 W
- Ambient temperature: 5°C to 35°C
- Power Saving Features: Auto switch-off timer, Eco mode, Picture mute (for radio)
- Mercury content: 0 mg
- Energy Label Class: A
- EU Energy Label power: 37 W
- Annual energy consumption: 53 kWh
- Presence of lead: Yes*

Dimensions

- Box dimensions (W x H x D): 835 x 514 x 140 mm
- Set dimensions (W x H x D): 732 x 432 x 76 mm
- Set dimensions with stand (W x H x D): 732 x 492 x 183 mm
- TV stand width distance: 205 mm
- Product weight: 3.8 kg
- Product weight (+stand): 3.9 kg
- Weight incl. Packaging: 5.3 kg
- VESA wall mount compatible: 100 x 100 mm

Accessories

- Included accessories: Remote Control, 2 x AAA Batteries, Power cord, Quick start guide, Mini-jack to CVBS-L/R cable, Mini-jack to YPbPr cable, Legal and safety brochure, Warranty Leaflet, Tabletop stand

Highlights

Modern edge feet look

When setting out to create a new TV, our teams consider every aspect: from technology to design. Our new edge feet were engineered to create space beneath your TV where a traditional stand would normally sit, offering you a more immersive viewing experience. The effect? A TV that stands confidently with a nod to the future.

Digital Crystal Clear

For natural-looking pictures from any source, Philips created Digital Crystal Clear. Whether you're indulging in your favourite programmes, movies or the news, or are simply having a few friends over for a night in, you'll enjoy it all in optimal contrast, colour and sharpness.

LED TV

With LED backlight you can enjoy low power consumption and beautiful lines combined with high brightness, incredible contrast and vibrant colours.

Two HDMI input ports with Easylink

Avoid cable clutter with a single HDMI cable to carry both picture and audio signals from your devices to your TV. HDMI uses uncompressed signals, ensuring the highest quality from source to screen. Together with Philips Easylink, you'll need only one remote control to perform most operations on your TV, DVD, Blu-ray, set top box or home theatre system.

USB (photos, music, video)

Share the fun. Connect your USB memory-stick, digital camera, mp3 player or other multimedia device to the USB port on your TV to enjoy photos, videos and music with the easy to use onscreen content browser.
