Highlights

YouTube button
A dedicated YouTube button brings a world of entertainment to the big screen in a single push.

Cast button for easy streaming
A dedicated Cast button makes streaming content from external devices faster. Simply press to activate the connection info screen in order to stream from any Cast enabled laptop, tablet, phone or desktop .

Multi-RC settings memory
Keep your settings exactly the same between battery changes. Multi-RC saves your configuration in a permanent storage for effortless maintenance.

Lockable battery compartment
The lockable battery compartment is secured with a screw, ensuring batteries can only be removed or changed by staff.

Low-battery detection
When the battery in your Philips Professional Remote Control runs low, a notification appears on the TV screen. Allowing you to change the batteries before service is affected.

Braille Dots
Essential buttons on this remote control are marked with braille dots beside them to assist the blind and visually impaired in operating the TV-enabling greater accessibility for all.
