- Low-battery detection
- Multi-RC settings memory

PHILIPS

Specifications

Battery

- Type: 2 x AAA (Not Included)

Dimensions

- Product dimensions (WxDxH): 184 x 48 x 20 mm

Highlights

YouTube button

A dedicated YouTube button brings a world of entertainment to the big screen in a single push.

Multi-RC settings memory

Keep your settings exactly the same between battery changes. Multi-RC saves your configuration in a permanent storage for effortless maintenance.

Cast button for easy streaming

A dedicated Cast button makes streaming content from external devices faster. Simply press to activate the connection info screen in order to stream from any Cast enabled laptop, tablet, phone or desktop

Lockable battery compartment

The lockable battery compartment is secured with a screw, ensuring batteries can only be removed or changed by staff.

Low-battery detection

When the battery in your Philips Professional Remote Control runs low, a notification appears on the TV screen, allowing you to change the batteries before service is affected.

Clear layout

Take control with effortless operation at your fingertips. A natural layout gives this remote control an intuitive feel with access to all of the TV's features set neatly in place.
