Highlights

TV stand with distance: 374.3 mm
Connect your TV easily when on the road using a 12 volt cabler attached to your car, truck, caravan, boat, or any 12 volt power source.

Portable Design

Stylish, compact, lightweight and portable. Your small screen TV lets you catch up with your favourite programmes in any location, whether it is in the kitchen or camping with your family outside. This portable TV keeps you up to date with the news as well as the latest results from your favourite sports. It is designed to be where the fun is!

Pixel Plus HD

Philips Pixel Plus HD engine optimises picture quality to deliver crisp images with beautiful contrast. So whether you are watching cable TV or from a disc, you'll enjoy sharper images with brighter whites and deeper blacks.

Full HD LED TV

Picture Quality matters. Regular HDTVs deliver quality, but you expect more. Imagine crisp detail paired with high brightness, incredible contrast and realistic colours for a true to life picture.

Two HDMI input ports with Easylink

Avoid cable clutter with a single HDMI cable to carry both picture and audio signals from your devices to your TV. HDMI uses uncompressed signals, ensuring the highest quality from source to screen. Together with Philips Easylink, you'll need only one remote control to perform most operations on your TV, DVD, Blu-ray, set top box or home theatre system.
