 Product Picture

Comfortable through the night

Breast pads for night time

Unique Philips Avent breast pads SCF253/20 specially designed to help you stay dry and comfortable while sleeping.

Other benefits

- Developed with breastfeeding expert
- Hygienic
- Silky soft feel

Optimal comfort and protection

- All-round leakage barrier
- Overnight protection
- Ultra dry

Highlights

Overnight protection

The Philips Avent breast pads have wider shape and thicker core for added absorbency. Double adhesive strips to secure the pad in place.

All-round leakage barrier

Designed for extra protection when lying down.

Ultra dry

The Philips Avent breast pads have multiple layers for super absorbency.

Developed with expert

Developed in collaboration with a midwife and breastfeeding advisor who has been supporting mums with breastfeeding for 20 years.

Hygienic

Individually wrapped for extra hygiene.

Silky soft feel

Silky soft topsheet and breathable, natural materials. Dermatologically tested.
