#### **Comfortable pumping**

- Wider funnel for comfortable fit
- Fits all Natural range breast pumps

#### **Check your fit for optimal comfort**

- Right fit: The nipple sits comfortably in the cushion funnel
- Choose large size: Nipple touches the walls of the funnel

## Highlights

### Large breast pump cushion

You can find out whether you need a large breast pump cushion by checking whether your nipple fits comfortably in the cushion funnel. If your nipple touches or rubs against the walls of the cushion funnel, then you should choose the large breast pump cushion to ensure a more comfortable expressing experience.

### Correct fit

If the nipple sits comfortably in the cushion funnel, you are using the correct size massage cushion.

### Too small fit

If your nipple touches or rubs against the wall of the cushion funnel, then you should choose the large breast pump cushion with wider funnel to ensure a more comfortable pumping experience.

### Fits all Natural breast pumps

The large size soft massage cushion is compatible with all Philips Avent Comfort breast pumps in the Natural range.
