- No ironing board needed
- Compact design for convenient use, storage and travel
- 2m cord for longer reach

### Refreshes clothes without washing or dry cleaning

- Continuous steam removes odors and kills 99.9%\* of bacteria

# PHILIPS

# Highlights

## Continuous steam

An electric pump automatically provides continuous steam for easy and quick de-wrinkling.

## Safe on all ironable fabrics

The steamer is safe to use on all ironable fabrics and garments. The steam plate can be safely pressed against any clothing with no risk of burning – a great solution for delicate fabrics, like silk.

## Ergonomic design

The handheld garment steamer is ergonomically designed to be light, compact and comfortable to use. Just press the trigger and watch wrinkles and creases disappear.

## Brush accessory

The brush attachment opens the fabric fibers and enables better steam penetration. It is especially good for thicker garments like jackets and coats. It can also help remove dirt and pills.

## No ironing board needed

Using a clothes steamer on hanging garments eliminates the need for an ironing board, so de-wrinkling is easy and hassle-free.

## 2m cord

For longer reach

## 99.9% bacteria-free\*

Hot steam refreshes your clothes and kills up to 99.9% of bacteria\*. Less frequent washing and dry cleaning saves time and money, and helps clothes last longer.
