- Product weight: 7.3 kg
- Set width (with stand): 969 mm
- Set height (with stand): 625 mm
- Set depth (with stand): 240 mm

Highlights

4K Ultra HD (+stand): 7.5 kg
Ultra Slim 108 cm TV, 1085 mm high
4K Ultra HD resolution is four times the resolution of a conventional 1080p TV. With over 8 million pixels and a depth of 150% Ultra Resolution Upscaling technology, it delivers the best possible picture quality. The higher 400% of your original content, the better images and resolution you will be able to experience. Enjoy improved sharpness, increased depth perception, superior contrast, smooth natural motion, and flawless details.

Modern edge feet look

When setting out to create a new TV, our teams consider every aspect: from technology to design. Our new edge feet were engineered to create space beneath your TV where a traditional stand would normally sit, offering you a more immersive viewing experience. The effect? A TV that stands confidently with a nod to the future.

Pixel Plus Ultra HD

Experience 4K Ultra HD sharpness with the Philips Pixel Plus Ultra HD engine. It optimizes picture quality to deliver smooth, fluid images with incredible detail and depth – Enjoy sharper 4K images with brighter whites and blacker blacks every time.

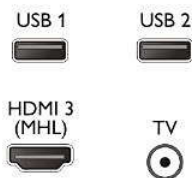

LED TV

With LED backlight you can enjoy low power consumption and beautiful lines combined with high brightness, incredible contrast and vibrant colors.
