- Mains: AC220 - 240V +/-10 %
- Power consumption: normal operation 450W Stand by < 2W (tbc)
- Set Weight: ±42kg
- Weight Incl. Packaging: ±54kg
- Set Dimension (WxHxD): 1215x660x90mm
- Box Dimension (WxHxD): 1300x872x325mm
- TV Colour: Pearl-White Silver (11092)
- Wall Mounting Bracket
- Designer Table Top Stand (Optional)
- Designer Floor Stand (Optional)

Product highlights

Flat, Slim, Wide

True Flat Multimedia TV which can be mounted on the wall like a painting.

Plasma Panel

State of the art plasma screen technology enabling brilliant flicker free picture with optimum brightness and superb colours. This vibrant and sharp image will offer you the enhanced viewing experience.

Digital Crystal Clear

A unique package of picture innovations including Combfilter, Dynamic Contrast, Color Enhancement and Luminance Transient Processing. Digital Crystal Clear, using 10 bit processing, offers 30% more contrast, natural colors and a high level of detail.

Full Active Control

Active Control automatically analyses, 50 times per second, the incoming signal and adjusts the key picture settings on Sharpness, Digital Noise Reduction, Color and Contrast. The ambient light sensor adjusts the settings according to the viewing conditions in the room. Active Control thus offers the best possible picture settings any time, any source.

Virtual Dolby Surround

Full Multichannel sound processing from DVD's for an enhanced cinema surround sound effect without the need for rear speakers.

Twin Page Teletext

You can watch 2 pages of the Teletext page consecutively, display on 2 halves of the screen.

Plug & Play

The ultimate ease of use feature for quick automatic searching, sorting (ATI/ACI) and storing of all the available channels.
