Easy Remote Control

Simple and intuitive

This remote makes it easy to control your Philips Professional TV. There's no wondering which button to press: the clean, simple design strips away all but the most essential buttons and functions.

Simple to use

- Large, colour-coded, glow-in-the-dark buttons
- Volume and channel controls. Simple D-pad navigation

Smarter by design

- Lockable battery compartment
- Low-battery detection
- Multi-RC settings memory

Highlights

Large, colour-coded

This remote control's simple design strips away all but the most essential buttons and functions. The large volume and channel buttons are colour-coded and glow in the dark: for easy operation in any light.

Multi-RC settings memory

Keep your settings exactly the same between battery changes. Multi-RC saves your configuration in a permanent storage for effortless maintenance.

Lockable battery compartment

The lockable battery compartment is secured with a screw, ensuring batteries can only be removed or changed by staff.

Low-battery detection

When the battery in your Philips Professional Remote Control runs low, a notification appears on the TV screen, allowing you to change the batteries before service is affected.

Hospitality Features

Remote Control: Multi-RC Compatible, Studio/ES/MS/Sig compatible, PrimeSuite, Glow-in-the-dark buttons, RC Battery Door Lock, Cable Strap Ready, Low-Battery Detection
