EN For best picture quality, we recommend to connect your devices with HDMI. If the device features HDMI-CEC, you can use the TV remote control to operate the device.

BR-PT Para obter a melhor qualidade de imagem, recomendamos que você conecte seus aparelhos com HDMI. Se o aparelho tiver HDMI-CEC, você poderá usar o controle remoto da TV para operá-lo.

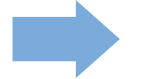

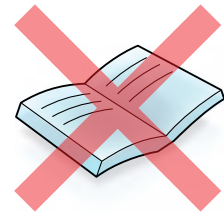

AR-ES Para obtener una mejor calidad de imagen le recomendamos que conecte sus dispositivos a través de HDMI. Si el dispositivo es compatible con HDMI-CEC, puede operarlo desde el control remoto.

8

EN The installation helps you to set up the Ambilight, picture and sound settings and the Net TV connection.

BR-PT A instalação o ajuda a configurar o Ambilight, a imagem, o som e a conexão Net TV sem fio.

AR-ES La instalación le permite configurar las funciones de Ambilight, los ajustes de imagen y sonido y la conexión inalámbrica a Net TV.

Ayuda en pantalla

www.philips.com/support

EN Philips preserves the environment by presenting the user manual on screen and not on paper. To learn how to use the TV, select Help in the Home menu and read the user manual any time. If you need to print out a page, go to the Philips support website to download the user manual.

BR-PT Para preservar o meio ambiente, a Philips apresenta o manual do usuário na tela em vez de fornecê-lo em papel. Para aprender a usar a TV, selecione Ajuda no menu inicial e leia o manual do usuário a qualquer momento. Se desejar imprimir uma página, visite o site de suporte da Philips para fazer o download do manual do usuário.

AR-ES Para evitar imprimir copias en papel y proteger el medio ambiente, Philips incorporó el manual del usuario en el televisor. Para saber cómo utilizar la unidad, seleccione la opción Ayuda en el menú de inicio y consulte el manual del usuario. Si desea imprimir una página específica, ingrese en el sitio de asistencia técnica de Philips y descargue el manual.
