Highlights

See Depth, Feel the look

When creating a new TV, our teams considered every aspect of the technology to design. Our height of the stand is 117.72 mm to create space to be able to sit on the stand. The traditional stand would be 150 mm high (150 mm) and a 150 mm immersive viewing experience. The 60 mm A TV that stands confidently without a stand.

- Box depth: 170 mm
- Weight TV: Packaging: 16 kg
- Wall mount compatible: 200 x 200 mm
- TV stand width distance: 971.6 mm

Discover a Smarter experience that lies beyond traditional TV. Rent and stream movies, videos or games from online video stores. Watch catch-up TV from your favorite channels and enjoy a growing selection of online apps with Smart TV.

Philips TV/STA gallery

Philips app gallery is a wide-ranging collection of online apps that you can access as soon as your Smart TV is connected to the Internet. It's that easy! Just switch on your TV, connect to the Internet and experience a whole new world of entertainment online.

4K Ultra HD

Ultra HD TV has four times the resolution of a conventional Full HD TV. With over 8 million pixels and our unique Ultra Resolution Upscaling technology, you'll experience the best possible picture quality. The higher the quality of your original content, the better images and resolution you will be able to experience. Enjoy improved sharpness, increased depth perception, superior contrast, smooth natural motion, and flawless details.
