Highlights

Ultimate comfort

Get rid of unwanted nose and ear hair, without the pulling with the Philips Nose Trimmer. The dual-sided steel blades easily trim unwanted hair, while the Protective Guard System in this nose hair trimmer designed for sensitive skin creates a barrier between your skin and the blades for ultimate comfort.

Lithium Battery included

Start using your ear and nose trimmer right away, with the lithium battery included.

Fully washable, easy to clean

It's easy to keep your trimmer as good as new - simply rinse this nose and ear hair trimmer under running water.

Precision trimming kit

Comes with a complete trim solution kit. This precision trimmer enables you to keep messy eyebrows trimmer and neater than before, and it keeps nose and ear hair under control too. This trimming and grooming kit is also great for travel.
