# Highlights

## Modern design, feet look

When creating a new TV, our teams considered every aspect: from technology to design. Our designers were engineered to create space between you and the TV. A traditional stand would be small and (offering you) an immersive viewing experience. (The feet) A 620 mm stands confidently with a depth (of the stand): 193 mm

## Pixel Plus HD TV

Pixel Plus HD TV. Regular HDTVs deliver a blurry picture. Pixel Plus HD TV offers more. Imagine crisp detail and vibrant colors. 200% contrast and realistic colors for a true to life picture.

## Smart TV

Discover a Smarter experience that lies beyond traditional TV. Rent and stream movies, videos or games from online video stores. Watch catch-up TV from your favorite channels and enjoy a growing selection of online apps with Smart TV.

## Pixel Plus HD

Philips Pixel Plus HD engine optimizes picture quality to deliver crisp images with beautiful contrast. So whether you're streaming online or watching from a disc, you'll enjoy sharper images with brighter whites and blacker blacks.
