No temperature setting needed

Iron everything from silk to jeans without adjusting the temperature. Thanks to OptimalTEMP, no dial or settings are needed. So there's no more pre-sorting the laundry, or waiting for the iron to heat up and cool down. You're ready for any fabric, anytime.

No burns – guaranteed

Thanks to OptimalTEMP technology, we guarantee this iron will never cause burns to any ironable fabric. You can even leave it resting face down on your clothes or ironing board. No burns, no shine. Guaranteed.

SteamGlide Plus soleplate

Our exclusive SteamGlide Plus soleplate – with its advanced titanium layer and 6-layer coating – delivers ultimate gliding performance over any fabric. Non-stick, scratch-resistant and easy to keep clean.

Automatic shut-off

The iron shuts itself off if you leave it standing still. On its heel rest, soleplate or side, it will automatically switch off after 2 minutes.

No more messy dripping

Our Drip Stop system lets you iron delicate fabrics at low temperatures with confidence. There's no need to worry about water droplets causing stains.

Built-in calc-clean slider

This iron operates with ordinary tap water. Calc-clean is a built-in cleaning function to remove calcium buildup, or limescale, and maintain peak performance.
