

Philips
Steam iron

GC1421

Simple, fast and effective

With self-clean

There's so much more to life than household chores, so you want to get them done as quickly as possible. With its uniquely designed steam holes and non-stick soleplate, this quality iron is simply built for speed.

Comfortable ironing

- Less refilling with large 200 ml water tank
- The iron is suitable for use with tap water

Easy gliding on all fabrics

- Non-stick soleplate coating
- Specially designed steam holes for best steam flow

Longer lifetime

- Calc clean to prevent your iron from scale build up

Full control

- Iron temperature-ready light

Easily removes creases

- Continuous steam up to 17 g/min for better crease removal

PHILIPS

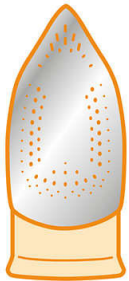

Highlights

Up to 17 g/min of steam

Continuous steam up to 17 g/min for better crease removal.

Non-stick soleplate

The soleplate of your Philips iron is coated with a special non-stick layer for good gliding performance on all fabrics.

Calc clean

The calc clean function enables you to simply flush your Philips iron to remove the calc particles out of your iron. This will extend the lifetime of your iron.

Iron temperature-ready light

Indicator light goes off when the required ironing temperature has been reached.

Large 200 ml water tank

Less refilling with the extra-large 200 ml water tank so you can iron more clothes in one go.

Suitable for tap water

The iron is suitable for use with tap water

Specially designed steam hole pattern

The specially designed steam hole pattern ensures the best steam flow, removing creases most efficiently.
